Google, Apple, Bosch, Meta, Nokia, Duolingo, Autodesk, Amazon, Microsoft, and IBM are among some 1,600 technology firms with a presence in the city, generating \$20.7 billion in annual **Pittsburgh** payrolls.

Pittsburgh's diverse population is seen in its dozens of thriving neighborhoods, its sports (The City of Champions), a wonderful arts & and cultural community, nationally recognized restaurants & chefs, and much more!

The South Side is a thriving neighborhood close to Downtown Pittsburgh and all the major universities with a bustling business district, dense population, & strong real estate fundamentals.
